Dated 13th February 1893

To

The Secretary to the Dewan of Mysore
Muzrai Department.

Sir,

With reference to Muzrai Superintendents No. 373/24 dated 30th June last, requesting submission of estimates for repairs of certain Temples found to be in need of repairs during the Muzrai Superintendents Inspection, I have the honor to forward herewith, an estimate for Rs: 3404-0-0, prepared by the Honorary Assistant Engineer, and countersigned by the Executive Engineer for repairing the Apprameya Swamy's Temple at Mallur, Channapatna Taluk.

2. This is an important

Temple and the repairs are urgently needed. The funds at the credit of the Temple are Rs. 1906-12-4, as per Muzrai Account for December last. But only Rs. 77-1- could be utilized towards the repairs, as the remaining balance has all been given away on account of Pudaval Funds, &c. Considering the special importance of the Temple, I think the cost may well be met out of the amount sanctioned for the repairs of Muzrai Temples in the Province, in Government Proceedings No. 259-68 dated 15th December 105-52 last. It is therefore requested that early sanction may be accorded

3. Mr. Krishna Iyer is the Supervisor in charge of the Chemmapatna Range and there is no objection to his entering the Temple

freely for executing the repairs.
It is necessary that the work
should be supervised by a Profes-
sional Officer. I would beg
therefore that sanction may
be accorded that the work
may be executed under his
personal supervision.

4. The Vernacular file
and the plan are enclosed
for reference.
